NOTE: The signing of this document does not infer it is a buildable lot or approval of submitted prints. All required local zoning, State and Federal laws must be met. A full address is required, not a P.O. Box Number.

At the time of your meter installation, you will be billed the minimum dollar amount for annual water and sewer service as per the rate schedule in effect and established by the Code of the City of Margate City. The minimum charge will take effect immediately regardless of whether a Certificate of Occupancy is issued.
