BE IT FURTHER RESOLVED that to the maximum extent permitted by law, employment practices for the City shall operate under the legal doctrine known as “employment at will,” and the “Seasonal Employee Handbook” nor any provisions set forth therein are intended to create an employment contract or otherwise abrogate the operation of the “employment at will” doctrine.

BE IT FURTHER RESOLVED that all managerial/supervisory personnel are responsible for these employment practices. The Employment Attorney and the HR Assistant shall assist the Personnel Officer in the implementation of the policies and procedures in this handbook.

The City of Margate is an Equal Opportunity Employer, M/F

WELCOME TO THE CITY OF MARGATE

We are pleased that you have chosen to work for the City of Margate for the summer season. Our goal is to provide the residents and visitors to the City with a pleasant experience. In order to achieve that goal it is important that our employees, including our seasonal employees, are provided with the proper resources to understand what is required of you so that you can perform your job properly and provide the best service to our residents and visitors.

It is also important that you take pride in your work and understand that while performing work for the City of Margate, you are also serving as an ambassador on behalf of the City who must win and retain the confidence and respect of the public we serve. By having a positive attitude in the performance of your duties, we are confident that you will have a rewarding experience and achieve satisfaction with your job. We expect all of you to take pride in your work and to exercise good judgment and common sense at all times.

THIS SEASONAL HANDBOOK IS NOT A CONTRACT OF EMPLOYMENT

Except as otherwise provided by a collective bargaining agreement or applicable law, all employees are employees at will. This means that any employee may voluntarily terminate their employment at any time, for any reason. It also means that the City may terminate any employee's employment at any time, with or without good cause. Nothing contained in this Seasonal Handbook constitutes a contractual right, express or implied. No provision contained in this Handbook or any other policy or procedure may be changed by any oral statement but must be in writing and signed by an authorized representative of the City.

The City retains all rights to discharge or discipline employees. As a Seasonal employee of the City, you agree to conform to all applicable policies, procedures, rules, regulations, statutes, and collective bargaining agreement (Lifeguards only).

This Seasonal Handbook is not meant to affect or to be a comprehensive description of local, state or federal statutes, rules or regulations, civil service, disciplinary procedures, employment benefits, workers' compensation, compensation, the policies, practices and procedures of the City. Employees' rights and responsibilities are always governed by existing law, the Lifeguards contract or established past practice. Nothing in this Seasonal Handbook provides legal rights in addition to those, if any, provided to employees under local, state or federal statutes, rules, regulations, collective negotiations agreements or established past practice. If any part of this Seasonal Handbook conflicts with local, state or federal statutes, rules, regulations, executive orders, a collective negotiations agreement or established past practice, the part of the Handbook which conflicts with a local, state or federal statute, rule, regulation, executive order, collective negotiations agreement or established past practice will be null and void as it applies to the affected group of employees. Likewise, if at any time, any local, state or federal statutes, rules, regulations or collective negotiations agreement should be amended, this Handbook will be deemed to have been likewise amended, even though actual changes to the Seasonal Handbook have not been made.

This Seasonal Handbook shall apply to all Seasonal employees of the City including part-time, full-time and/or temporary, as well as any Seasonal volunteers.

Purpose of This Handbook

The purpose of this Handbook is to acquaint you with your employment with the City of Margate. The policies and practices contained in this Handbook are only guidelines and may be cancelled or changed by the City at any time with or without notice. This Handbook is not intended to, nor does it create an employment contract between the Employer and any employees.

This Handbook is for Seasonal employees, including Beach Patrol employees, Beach Badge Inspectors, Recreation Department employees, Public Works employees, as well as any other employees the City hires on a seasonal basis. Please read this Handbook in its entirety and familiarize yourself with its contents. It is a communication tool to inform you of what you can expect as an employee, as well as what your employer - the City of Margate - can expect from you. This

handbook is not intended to be all inclusive but is intended to complement any orientation and training that may be provided by your department.

If you have any questions, or need clarification, please ask your supervisor or call the City's Personnel Officer, who is also the City Clerk, at 609-822-2605. For more detailed information about the policies of the City of Margate, you should refer to the City's Policies and Procedures that are issued and stored on PrimePoint (the City's electronic Document Management System) to which your supervisor has access.

I. ANTI-DISCRIMINATION POLICIES

A. Equal Opportunity

The City will make all personnel decisions without regard to race, creed, color, national origin, ancestry, religion, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, familial status, genetic information, sex, gender identity or expression, disability (including perceived disability, physical, mental, and/or intellectual disabilities, AIDS or HIV infection), pregnancy, childbirth, breastfeeding, political affiliation (to the extent protected by law, atypical hereditary cellular or blood trait, or because of the liability for service in the Armed Forces of the US, veteran status, citizenship status, or any other group status protected by law, unless required by a bona fide occupational qualification.

The City will ensure that personnel decisions are made in accordance with principles of Equal Employment Opportunity by imposing only nondiscriminatory job requirements. B. Americans with Disabilities Act

In compliance with the Americans with Disabilities Act (ADA), the ADA Amendments, and the New Jersey Law Against Discrimination (NJLAD), the City does not discriminate based on disability. The City will endeavor to make every work environment handicap accessible and consider reasonable accommodations, when appropriate. Future construction and renovation of facilities will be in accordance with the ADA Accessibility Guidelines, as well as the ADA Amendments Act.

C. Whistleblower Policy

Under the New Jersey Conscientious Employee Protection Act (CEPA), NJSA 34:19-1, it is unlawful for an employer to discharge, suspend, demote, or take other action against an employee because they disclosed a policy or practice, they reasonably believe is a violation of law, rule, or regulation pursuant to law. CEPA also protects employees who provide information to a public body conducting an investigation into a violation of a law or rule, or if an employee refuses to participate in any activity that the employee believes is in violation of a law, is fraudulent or criminal, or is against public policy concerning public health, safety or welfare. Reprisals against anyone who makes a complaint under this policy will not be tolerated, and violators of the policy will be subject to discipline, up to and including termination, and may be subject to any other liability authorized under applicable law.

II. ANTI-HARASSMENT POLICY

The City has committed to a workplace free from harassment that is based race, creed, color, national origin, ancestry, religion, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, familial status, genetic information, sex, gender identify or expression, disability (including perceived disability, physical, mental and/or intellectual disabilities, AIDS or HIV infection), pregnancy, childbirth, breastfeeding, political affiliation (to the extent protected by law), atypical hereditary cellular or blood trait, or because of the liability for service in the U.S. Armed Forces, veteran status, citizenship status, or any other group status protected by law. Any such harassment is a

violation of federal and state anti-discrimination laws and will not be tolerated by the City. This policy applies to all employees, as well as to any individuals who may come in contact with employees. Reprisals against anyone who makes a complaint under this policy will not be tolerated, and violators of the policy will be subject to discipline, up to and including termination, and may be subject to any other liability authorized under applicable law.

Additionally, it is a violation of this policy to engage in sexual (or gender-based) harassment of any kind, including hostile work environment harassment, quid pro quo harassment, or same-sex harassment. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when, for example:

- Submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Examples of prohibited behaviors that may constitute sexual harassment and are therefore a violation of this policy include, but are not limited to:

1. Generalized gender-based remarks and comments;
2. Unwanted physical contact such as intentional touching, grabbing, pinching, brushing against another's body or impeding or blocking movement;
3. Verbal, written or electronic sexually suggestive or obscene comments, jokes or propositions, including letters, notes, e-mails, text messages, invitations, gestures or inappropriate comments about a person's clothing;
4. Visual contact, such as leering or staring at another's body; gesturing; displaying sexually suggestive objects, cartoons, posters, magazines or pictures of scantily-clad individuals; or displaying sexually suggestive material on a bulletin board, on a locker room wall, or on a screen saver;
5. Explicit or implicit suggestions of sex by a supervisor or manager in return for a favorable employment action such as hiring, compensation, promotions or retention;
6. Suggesting or implying that failure to accept a request for a date or sex would result in an adverse employment consequence with respect to any employment practice such as performance evaluation or promotional opportunity; or
7. Continuing to engage in certain behaviors of a sexual nature after an objection has been raised by the target of such inappropriate behavior.

Any employee found to have violated any portion or portions of this policy may be subject to appropriate administrative and/or disciplinary action which may include, but which shall not be limited to: referral for training, referral for counseling, written or verbal reprimand, suspension, reassignment, demotion or termination of employment. Referral to another appropriate authority for review for possible violation of federal and state statutes may also be appropriate.

Employee Responsibilities:

The City cannot address or correct harassing conduct that it is not aware of. Any employee who believes that they have been subjected to any form of prohibited discrimination/harassment, or who witnesses others being subjected to such discrimination/harassment, or otherwise has knowledge of others being subjected to such discrimination/harassment is expected to promptly report the incident(s) to a supervisor, department head, or directly to the Personnel Officer, the HR Admin/Assistant, or to any other persons designated by the City to receive workplace discrimination complaints. Specifically, employees are encouraged to utilize the **Harassment/Discrimination Complaint Form on pages 17-20**.

All employees are expected to cooperate with investigations undertaken pursuant to this section. Failure to cooperate in an investigation may result in administrative and/or disciplinary action, up to and including termination of employment.

Supervisor Responsibilities:

Supervisors shall make every effort to maintain a work environment that is free from any form of prohibited discrimination/harassment. Supervisors shall immediately refer allegations of prohibited discrimination/harassment to the Personnel Officer or the HR/Admin. Assistant, or to any other individual designated by the City to receive complaints of workplace discrimination/harassment. A Supervisor's failure to comply with these requirements may result in administrative and/or disciplinary action, up to and including termination of employment.

For purposes of this section a "Supervisor" is defined broadly to include any manager, department head and/or other individual who has the authority to control the work environment of any other staff member.

Employee reports made pursuant to this policy will be kept confidential to the maximum extent possible. The City will not tolerate any form of retaliation against any employee for making a report under this policy.

The City will take prompt remedial action, up to and including immediate termination, against any employee found to have engaged in threatening behavior or acts of violence.

Working Papers for Minors

New Jersey law provides that any employee under the age of 18 is required, prior to commencing employment, to provide the City with an employment certificate, also commonly known as “working papers.” No employee under the age of 18 will be permitted to work until he or she has provided working papers to the City.

Policy Addressing the Protection and Safe Treatment of Minors

The following sections of the policy have been included in this handbook for seasonal employees for the sole purpose of providing guidance concerning the protection and safe treatment of minors, and are not intended to reflect the complete all-inclusive policy adopted by the City.

- All restrooms shall be checked in advance by staff persons before minor children enter to make certain that no other individuals are present.

III. Reporting Suspected Child Abuse/Neglect:

In light of the importance and priority placed on safeguarding the health and safety of minors, it is critically important that suspected cases of child abuse and neglect are reported as soon as possible. *As a government official, employee or volunteer, you are legally required to report suspected child abuse. This requirement includes all governmental officials, employees and volunteers. It is recommended that, whenever possible, officials, employees and volunteers report the suspected abuse to both the NJ Department of Children and Families and Law Enforcement at the same time, which is known as "dual reporting." The "Hotline" to report suspected cases of abuse is: 1-877-652-2873.*

REQUIREMENTS OF EMPLOYEES

Attendance and Punctuality

The City relies upon all employees to report to work at their scheduled start time each day. Your Supervisor will explain your work hours and the procedure for you to use to notify of an absence or to find out work assignments during emergencies, or for rain. Your failure to report to work as scheduled adversely impacts the City's ability to operate efficiently and provide services to the public. If you are unable to report to work or will miss part of your scheduled workday, you must personally call your supervisor before you are scheduled to report, to explain the reason for the absence. If you do not notify your supervisor when you are going to be absent, the City will not be able to make the necessary adjustments to ensure that your absence is covered by other employees.

Likewise, if you do not report for work as scheduled, the City will assume that you will be absent and may reassign other employees to cover your absence. If you eventually report for work, your assignment may be covered by someone else, further complicating the allocation of work assignments. It is for this reason that you must report for work on time or notify your supervisor prior to the start of your shift if you are going to be absent or late for work. Repeated or chronic absenteeism, lateness, and/or falsification of time (including misuse and/or fraudulent use of time reporting devices) shall be grounds for discipline, up to and including termination.

Orientation

Depending on your job assignment, you may be required to attend an orientation program which will introduce you to your supervisor(s) and acquaint you with the policies and procedures used in your work area, as well as your specific job responsibilities. An orientation program expands and complements the information contained in this handbook.

Conduct

There are certain rules and regulations regarding your conduct that are necessary for the efficient operation of the City and for the benefit and protection of the rights and safety of all. Conduct that interferes with operations, brings discredit on the City, or is offensive to the public or fellow employees will not be tolerated. The City may institute discipline at any level, depending on the nature and severity of the offense. This means that, depending on the incident, discipline may consist of a verbal reprimand, or termination of employment, or any intermediate level of discipline, including a suspension.

Appearance

The public expects friendly, helpful service delivered by employees who present themselves in a neat, business-like manner. Grooming and dress standards are governed by the work situation, safety, and comfort. Many of our seasonal employees are required to wear uniforms during work. If your job requires you to wear a uniform, the City will provide you with the uniform you are required to wear, and your Supervisor will explain the circumstances under which you must wear a particular uniform. Uniforms help members of the public identify City employees, making it easier for them to seek assistance if they need to speak with a City employee. If your job does not require you to wear a specific uniform, your supervisor will inform you of the appropriate appearance standards for your particular job.

Departures from the City's appearance standard are not permitted. If you report for work and you are not wearing your designated uniform or are not dressed appropriately if a uniform is not required, your Supervisor may send you home to change your clothes. In that situation, you will not be paid for the time away from work that is required for you to comply with appearance standards.

Drug and Alcohol-Free Workplace Policy

The possession or use of unlawful drugs and the abuse of alcohol pose a threat to the health and safety of all employees. To that end, the City has adopted a Drug and Alcohol-Free Workplace Policy, and all employees are subject to the rules and regulations set forth in that policy. Specifically, the manufacturing, distribution, dispensing, and/or use of alcohol or unlawful drugs on the City's premises, or during work hours, by employees is strictly prohibited.

Any employee who is observed by a Supervisor or a Department Head to be intoxicated or under the influence of alcohol and/or drugs during working hours, or is under reasonable suspicion of same, shall be immediately tested and is subject to discipline, up to and including termination. Such employee will be driven home by a supervisor; they will not be permitted to drive their vehicle home. If such employee does get into their car, the Supervisor will call 911 to report that there is a person driving a car who is under reasonable suspicion for alcohol or substance abuse.

If any employee is taking prescription medication that adversely affects the employee's ability to perform their job, the employee must notify the City through their Supervisor or Department Head so that appropriate action can be taken. When possible, the City will attempt to provide a reasonable accommodation that enables the employee to perform the essential functions of their job.

Personal Calls, Mail, E-Mail, Voice Mail, Computer Use and Visits

Employees are expected to devote their attention to their job responsibilities during work time. For this reason, employees are not permitted to make or receive personal phone calls during work unless the employee is on break, or there is an emergency. Some employees may have access to department phones, computers, and faxes during their work hours as part of their job responsibility. These facilities are to be used only for business communications except in the case of an emergency. Cell phones for personal calls can only be used during break time.

The City Internet service, e-mail, voice mail and Internet messages are intended for business correspondence and are not to be used for personal reasons. All e-mail, voice mail and Internet messages are official documents and, with few exceptions, subject to provisions of the Open Public Records Act. Visits to City property by family, friends or acquaintances during work hours are discouraged.

Recording Time Worked

In order to be paid correctly, you are responsible for accurately reporting and/or recording the hours you work each day. Your supervisor will explain the proper procedure for recording your time. Seasonal employees may be required to

work beyond an eight (8) hour workday. Employees are required to report and record your own time. Employees are specifically prohibited from recording time for other employees. Employees may be disciplined up to and including immediate termination of employment, for reporting or recording time for another employee or for requesting or permitting another employee to record time for them.

Resignation

The City recognizes that not all employees will be able to work the entire summer through the Labor Day weekend. If you are unable to work the entire summer, you should notify a supervisor of the date that you intend to terminate employment. If circumstances arise that require you to end your employment prior to the originally designated termination date, you are expected to provide your department with two (2) weeks' written notice of resignation; although you may not be required to work through the notice period. The purpose of the two-week notice is to enable the City to attempt to make necessary staffing adjustments. A resignation will be considered accepted upon receipt. All City property must be returned at the time of separation. These items include but are not limited to: uniforms provided by the City, ID cards, keys, equipment, supplies and/or any other items provided by the City to the employee for use during work.

Security and Personal Property

Security is the responsibility of all employees. You are advised not to bring large sums of money or other valuables to work. You are expected to exercise reasonable care and not to leave items unattended and in plain view. The City cannot assume the responsibility for the loss or theft of personal belongings.

Tips, Gifts and Gratuities

The City expects all employees to perform their jobs in a friendly manner for the benefit of the public. Some members of the public may wish to express their appreciation by offering tips, gifts, gratuities, other items of value or other consideration. As a City employee, you should thank the individual making the offer, but you are not permitted to accept it.

Vehicle and Equipment Use

Certain employees may be required to operate a City vehicle or equipment as part of their job responsibilities. If you are one of those employees, prior to using or operating any City vehicles or equipment, you are required to review the City's Use of Vehicles Policy No. 206 governing the operation and use of City vehicles and equipment. Failure to do so can result in the termination of your employment. This policy is available on PrimePoint, to which your supervisor has access; you can also obtain a copy of the policy from your supervisor. Only employees with a valid driver's license will be permitted to operate a City vehicle. A Motor Vehicle Record Check must be done at the beginning of your seasonal employment to ensure that your driver's license is valid.

If you become aware of any malfunctions or maintenance needs with respect to any City vehicles or equipment, you are required to notify your supervisor immediately so that the situation can be addressed. City-owned vehicles and equipment are to be used exclusively for the business of the City and not for personal use. You should not use any City equipment unless you are authorized to use the equipment and have been trained how to use the equipment properly. Any fines for moving violations or parking infractions shall be paid by the individual who was responsible for the assessment of the fine. Employees who are required to have a Commercial Driver's License (CDL) in order to perform their job duties shall be subject to and will comply with City's CDL Drug and Alcohol Policy No. 121, which is available on PrimePoint, and your Supervisor will give you a copy at your seasonal orientation.

Smoke Free Policy

In accordance with New Jersey State law, the City has adopted a smoke free policy for all government buildings and vehicles. This includes e-cigarettes.

What You Can Expect From Us

Benefits

As a Seasonal employee, you will be paid for hours worked. Seasonal employees are not eligible to be compensated for holidays not worked, sick, personal or vacation time, or for a leave of absence. In accordance with the Fair Labor

Standards Act, Lifeguards and Beach Badge Inspectors will be compensated at their regular rate of pay for any hours worked in excess of 40 hours per week.

Handling Complaints Against City Employees

Upon receipt of a complaint by a citizen against an employee, the employee's Supervisor shall attempt to resolve the complaint as quickly as possible and, if necessary, refer the matter to the City Clerk for review, possible formal investigation and/or any further action.

Meals and Break Periods

Paid break and/or unpaid meal periods may be provided based upon the number of hours worked per day. As a general guideline, if you are scheduled to work more than five (5) hours in a workday, you will be eligible for a meal break. Employees under the age of 18 will be provided with a one-half hour break after five (5) hours worked. Your Supervisor will advise you of any scheduled breaks.

Right To Know

The New Jersey Worker and Community Right to Know Act requires employers to provide information about hazardous substances at their facilities. When applicable, you will be trained about the health and safety risks of working with hazardous substances, necessary safety practices, control methods and the provisions of the Right to Know Act.

Violation of Conduct Standards

Violation of the standards of conduct and any other policy or procedure set forth in this handbook or in the City Policies and Procedures issued on PrimePoint (to which your supervisor has access), or the standards of conduct in place in your department, or any other action which may be deemed detrimental to the orderly conduct and integrity of operations, will result in disciplinary action, up to and including termination of employment. The City Board of Commissioners shall comply with New Jersey Law concerning notice to employees when discussing matters related to their employment. Employees may be subject to discipline for any of the reasons set forth in the Employee Discipline Policy No. 117, which is on PrimePoint.

Your Pay

Employees are paid every two weeks. Pay day is every other Thursday. Employees are paid in accordance with the requirements of the Federal Fair Labor Standards Act. The pay period ends at 11:59 p.m. Sunday and paychecks are issued on the second Thursday thereafter. Receiving employee paychecks through Direct Deposit is now mandatory. You are required to complete the "Direct Deposit Authorization Form" that is with your Seasonal Hiring Packet and attach a voided check when you return it. All state, federal, Social Security (FICA) and Unemployment Compensation Insurance taxes will be deducted automatically, as well as any other deductions required by law. Seasonal employees are paid for hours actually worked. Errors in pay balances must be brought to the attention of your supervisor.

General Safety Practices

You will be provided with training and safety equipment appropriate to your specific job. You are required to utilize all safety devices and protective equipment as directed by your supervisor and in your training. For a more detailed explanation of the City's Safety Policy, please review the City's Safety Policy No. 104, which is available on PrimePoint, or contact the City's Safety Officer, Fire Chief Dan Adams at 609-822-5562.

Basic guidelines minimize the potential for unsafe conditions in the workplace. These rules also permit management to evaluate overall safety compliance and handle department specific safety issues.

You are required to:

1. Comply with all safety signs. Removal of guards, safety devices, tools, equipment, bulletin boards, notices or warnings is not permitted.
2. Operate equipment only on which you are trained and/or certified.

3. Keep emergency exits, electrical panels, sprinkler valves and fire equipment in all City buildings clear and accessible at all times.
4. Report any conditions to your supervisor that may potentially cause an accident.
5. Consume food and beverages in authorized areas only and at authorized times.
6. Become knowledgeable of your rights and responsibilities under the Right-to-Know Act.

In Case of Injury to a Member of the Public

In case of any injury to a member of the public, immediately call 911. Once that call has been made to 911 reporting the injury, notify your Supervisor and explain the nature of the injury. Do not leave the injured individual unattended. Only individuals who are properly trained should administer first aid.

In Case You are Injured at Work

If you experience a medical incident or injury at work, you must immediately call your supervisor, no matter how minor. If your supervisor does not answer, hang up and call 911. If it is minor, your supervisor will transport you to a City-designated Physician, a Beach Patrol Medical personnel, the Margate City Fire Department, Shore Medical Center, or APMC. Your supervisor will also call the Workers' Compensation Coordinator Fire Chief Dan Adams at 609-517-1033 to report the incident. As required by law, the City carries Workers' Compensation Insurance to protect against medical costs and lost wages incurred as a result of a job-related accident or illness. To file a Workers' Compensation claim, you must immediately report the injury to your supervisor. You and your supervisor must immediately (or as soon as possible) complete an Injury Report and email it to the City Claims Coordinator at: adams_dan@margate-nj.com. A City Workers' Compensation Physician will direct your care for injuries related to a Workers' Compensation claim. It is essential that all injuries be reported immediately. By reporting the injury immediately, the City can ensure that you receive any medical care that may be necessary. It will also provide the City with an opportunity to investigate the cause of the injury to determine whether there are any dangerous conditions that need to be addressed.

In Case You Are Involved in a Motor Vehicle Accident at Work

If you are involved in an accident as the driver or a passenger in a City vehicle, you must immediately report the accident to your Supervisor, no matter how minor. If you and/or any others involved in the accident are seriously hurt, call 911 first. If you were driving a City vehicle when involved in an accident, you shall not leave the scene until a Police Officer arrives to take your statement, unless you must leave the scene to receive emergency medical care. If you are required to leave for medical care, you should provide information requested by a Police Officer as soon as you are able. As with any injury on the job, you will be required to complete an Accident Report with your Supervisor. If your injuries are minor, your supervisor may direct you, or take you for medical attention to a City-designated Physician, Beach Patrol Medical personnel, the Margate City Fire Department, Shore Medical Center, or APMC. The Supervisor must also notify the Claims Coordinator Fire Chief Dan Adams at 609-517-1033 to ensure that the claim is properly documented and forwarded to the City's Third-Party Claims Coordinator for further handling.

Lock Out! Tag Out!

There may be times when you see routine maintenance performed on municipal property. In order to prevent injury to the individuals working, a colored tag or lock out may be placed on certain mechanical equipment. The tag or lock out is designed to prevent anyone from turning on the equipment while the work is being performed. Do not touch or try to turn on this equipment when you see this lock out or tag.

Exit Interview

The City has established a procedure for a review of employees leaving employment with the City. Supervisors may conduct an Exit Interview prior to your last workday. The purpose of this interview is to remind you to return items such as keys, uniforms, equipment and tools that may belong to the City, which you may have used in the course of your

employment and to remove any personal belongings from lockers, etc. The employee will complete and sign the Workers' Compensation Exit Interview Form on page 15 of this handbook.

It is also important that we have your correct address for mailing pertinent information such as paychecks and W-2 forms. If any of the City's property in your possession is damaged or lost, you will be responsible for the cost to repair or replace that property.

Finally, we would appreciate receiving your comments concerning your experience working seasonal employment with the City which may help us serve our community in new and better ways. We value your comments and suggestions, so please be forthright in your comments.

- What are the most/least rewarding aspects in my service to the City?
- Describe ways that you feel the services provided by the City could be improved.

Please return the Exit Interview along with your Workers' Compensation Exit Interview Form (page 15 of this handbook).

In Conclusion

Not all questions may be answered by the information in this Seasonal Employee Handbook. Contact your supervisor for additional information or clarification, refer to the City Policies and Procedures that are issued and stored on PrimePoint, to which your Supervisor has access.
