**EXECUTIVE SESSION:** If Necessary

**UPDATE:** 

**ADJOURNMENT** 

#### THE CITY OF MARGATE CITY

#### ORDINANCE No. 05 of 2024

### AN ORDINANCE CREATING CHAPTER 214.1 PRIVATELY-OWNED SALT STORAGE

**NOW THEREFORE BE IT ORDAINED** by the Commissioners of the City of Margate, County of Atlantic and State of New Jersey as follows:

#### § 214.1-1. Purpose:

The purpose of this chapter is to prevent stored salt and other solid de-icing materials from being exposed to stormwater.

This chapter establishes requirements for the storage of salt and other solid de-icing materials on properties not owned or operated by the municipality (privately-owned), including residences, in the City of Margate City to protect the environment, public health, safety and welfare, and to prescribe penalties for failure to comply.

#### § 214.1-2 Definitions:

For the purpose of this chapter, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When consistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

- A. "De-icing materials" means any granular or solid material such as melting salt or any other granular solid that assists in the melting of snow.
- B. "Impervious surface" means a surface that has been covered with a layer of material so that it is highly resistant to infiltration by water.
- C. "Storm drain inlet" means the point of entry into the storm sewer system.
- D. "Permanent structure" means a permanent building or permanent structure that is anchored to a permanent foundation with an impermeable floor, and that is completely roofed and walled (new structures require a door or other means of sealing the access way from wind driven rainfall).

A fabric frame structure is a permanent structure if it meets the following specifications:

- 1. Concrete blocks, jersey barriers or other similar material shall be placed around the interior of the structure to protect the side walls during loading and unloading of de-icing materials;
- 2. The design shall prevent stormwater run-on and run through, and the fabric cannot leak;
- 3. The structure shall be erected on an impermeable slab;
- 4. The structure cannot be open sided; and
- 5. The structure shall have a roll up door or other means of sealing the access way from wind driven rainfall.
- E. "Person" means any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.
- F. "Resident" means a person who resides on a residential property where de-icing material is stored.

#### § 214.1-3. Deicing Material Storage Requirements:

- A. Temporary outdoor storage of de-icing materials in accordance with the requirements below is allowed between October 15<sup>th</sup> and April 15<sup>th</sup>:
  - 1. Loose materials shall be placed on a flat, impervious surface in a manner that prevents stormwater run-through;
  - 2. Loose materials shall be placed at least 50 feet from surface water bodies, storm drain inlets, ditches and/or other stormwater conveyance channels;
  - 3. Loose materials shall be maintained in a cone-shaped storage pile. If loading or unloading activities alter the cone-shape during daily activities, tracked materials shall be swept back into the storage pile, and the storage pile shall be reshaped into a cone after use;
  - 4. Loose materials shall be covered as follows:
    - a. The cover shall be waterproof, impermeable, and flexible;
    - b. The cover shall extend to the base of the pile(s);
    - c. The cover shall be free from holes or tears;
    - d. The cover shall be secured and weighed down around the perimeter to prevent removal by wind; and

- e. Weight shall be placed on the cover(s) in such a way that minimizes the potential of exposure as materials shift and runoff flows down to the base of the pile.
  - (1) Sandbags lashed together with rope or cable and placed uniformly over the flexible cover, or poly-cord nets provide a suitable method. Items that can potentially hold water (e.g., old tires) shall not be used;
- 5. Containers must be sealed when not in use; and
- 6. The site shall be free of all de-icing materials between April 16<sup>th</sup> and October 14<sup>th</sup>.
- B. De-icing materials should be stored in a permanent structure if a suitable storage structure is available. For storage of loose de-icing materials in a permanent structure, such storage may be permanent, and thus not restricted to October 15 -April 15.
- C. All such temporary and/or permanent structures must also comply with all other local ordinances, including building and zoning regulations.
- D. The property owner, or owner of the de-icing materials if different, shall designate a person(s) responsible for operations at the site where these materials are stored outdoors, and who shall document that weekly inspections are conducted to ensure that the conditions of this ordinance are met. Inspection records shall be kept on site and made available to the municipality upon request.
  - 1. Residents who operate businesses from their homes that utilize de-icing materials are required to perform weekly inspections.

#### § 214.1-4. Exemptions:

Residents may store de-icing materials outside in a solid-walled, closed container that prevents precipitation from entering and exiting the container, and which prevents the de-icing materials from leaking or spilling out. Under these circumstances, weekly inspections are not necessary, but repair or replacement of damaged or inadequate containers shall occur within 2 weeks.

If containerized (in bags or buckets) de-icing materials are stored within a permanent structure, they are not subject to the storage and inspection requirements in § 214.1-3 above. Piles of de-icing materials are not exempt, even if stored in a permanent structure.

This chapter does not apply to facilities where the stormwater discharges from de-icing material storage activities are regulated under another NJPDES permit.

#### § 214.1-5. Enforcement:

This chapter shall be enforced by the Municipal Officials of the City of Margate City during the course of ordinary enforcement duties.

#### § 214.1-6. Violations and Penalties:

Any person(s) who is found to be in violation of the provisions of this chapter shall have 72 hours to complete corrective action. Repeat violations and/or failure to complete corrective action shall result in fines as follows: a fine not to exceed \$100 per day.

#### § 214.1-7. Severability:

Each section, subsection, sentence, clause, and phrase of this Chapter is declared to be an independent section, subsection, sentence, clause, and phrase, and finding or holding of any such portion of this Ordinance to be unconstitutional, void, or ineffective for any cause or reason shall not affect any other portion of this Ordinance.

#### § 214.1-8. Effective Date:

Published

Enactment:

Published:

This chapter shall take effect upon its fina	passage and publication as required by law.
--	---

Maury Blumberg, Commissioner
Catherine Horn, Commissioner
Board of Commissioners of the City of Margate City, New Jersey

#### ORDINANCE NO. 06 of 2024

## AN ORDINANCE AMENDING ORDINANCE NO. 01-2024 FIXING THE SALARIES AND COMPENSATION OF CERTAIN OFFICERS AND EMPLOYEES OF THE CITY OF MARGATE CITY, ATLANTIC COUNTY, NEW JERSEY

**THE BOARD OF COMMISSIONERS** of the City of Margate City, Atlantic County, New Jersey does ordain;

**SECTION 1: THAT** effective April 18, 2024 the base salaries, wages, and compensation to be paid to the following officers and employees of the City of Margate City, New Jersey shall be paid bi-weekly and as follows:

- 1. The title Technical Assistant to the Construction Official Stenography be added to the section CONSTRUCTION OFFICE; and
- 2. The per annum Salary Range for said position be from \$65,000 to \$80,000.
- 3. The title Information Technology Assistant be added to the section PER HOUR; and
- 4. The per annum Salary Range for Said position be from \$0.00 to \$75.00 per hour.
- 5. The title Records Support Technician 1 be added to the section POLICE DEPARTMENT; and
- 6. The per annum Salary Range for said position be from \$25,000 to \$35,000.

**SECTION 2**; THAT once established for the calendar year base pay may not be supplemented through merit raises during the calendar year without approval of the majority of the Governing Body.

**SECTION 3**; THAT all ordinances and parts of ordinances inconsistent herewith are hereby repealed, but only to the extent of such inconsistency.

**SECTION 4;** THIS ordinance shall take effect upon final passage and publication as provided by law.

Michael Collins, Mayor	
Maury Blumberg, Commissioner	
Catherine Horn, Commissioner	
Board of Commissioners of the City of Margate City, New Jersey

#### RESOLUTION NO. 102 of 2024

## RESOLUTION APPROVING A REVISED LEASE AGREEMENT BETWEEN THE CITY OF MARGATE CITY AND SAVE LUCY COMMITTEE, INC. REPLACING THE LEASE AGREEMENT DATED AUGUST 1, 2019

WHEREAS, pursuant to N.J.S.A. 40a:12-14(c), the City is authorized to lease any real property not needed for public use for nominal consideration to a non-profit corporation or association to use same for public purposes; and

**WHEREAS**, the Office of Transactions and Public Land Administration of the New Jersey Department of Environmental Protection has set forth terms and conditions deemed necessary in order for said Office to process and otherwise authorize a Grant of monies for the purpose of support of Lucy Park; and

WHEREAS, a revised Lease Agreement has been created, reviewed and approved by said Office of Transactions and Public Land Administration; and

**WHEREAS**, the Governing Body desires to implement the new revised Lease Agreement so as to qualify grant monies from the State of New Jersey.

**NOW, THEREFORE BE IT RESOLVED** by the Margate City Board of Commissioners of the City of Margate City, County of Atlantic that a revised Lease Agreement between the City of Margate City and the Save Lucy Committee, Inc., a copy of which is attached hereto and made a part hereof, be approved and effective as of April 5, 2024.

**BE IT FURTHER RESOLVED** that the Mayor and City Clerk are hereby authorized to execute the new Lease in its final form after attorney review and after execution by the appropriate officers of the Save Lucy Committee, Inc.

#### **RESOLUTION #105-2024**

### RESOLUTION OPPOSING THE STATE OF NEW JERSEY'S NEW PROPOSED SHORE PROTECTION RULE AND NJ PACT REGULATIONS

WHEREAS, the State of New Jersey is proposing a new shore protection rule that would allow for the State Department of Environmental Protection (DEP) to restrict access to tidal waters and adjacent shorelines to protect threatened and endangered species of wildlife and their critical habitats; and

WHEREAS, while the City of Margate City recognizes and understands the importance of the Department's service to protect critical habitat areas and endangered species throughout the State, for reasons including but not limited to public safety and recreational public access, Margate City has concern for the DEP's proposed new rule that would expand seasonal closures of beaches, tidal waterway, and beach entranceways during the high season in our shore town communities; and

WHEREAS, according to the State of New Jersey website, the DEP promotes public access and use of tidal waterways and their shores based on the common law of the Public Trust Doctrine, which provides for that public rights to tidal waterways and their shores and further establishes the right of the public to fully utilize these lands and waters for a variety of public activities; and

**WHEREAS**, in the DEP's stakeholder presentation on September 19<sup>th</sup>, 2023, that outlined the new proposed rule, there is a reference to a series of pictures to serve as examples of "injurious uses" that would trigger the restriction for access; and

WHEREAS, those references to "injurious uses" include pictures of footsteps on the beach, walking along the shoreline, shoreline access by boat, and accessing the beach with an unleashed dog; and

**WHEREAS**, expanding the DEP's ability to restrict access to the public and municipal public safety departments to our waterways seems to be in conflict with the Public Trust Doctrine that that the state bases all of their public access rules on; and

**WHEREAS**, with Margate City having our beaches being one of the main attractions for visitors to our City and residents, restricting access to our public beaches may result in an adverse impact on the local economy and property values and consequently a decrease in the hundreds of millions of State property tax dollars that the City generates for the State annually; and

**WHEREAS**, according to the federal Department of Homeland Security's Emergency Response Plan, the actions taken in the initial minutes of an emergency are critical; and

WHEREAS, while the local shore communities and Margate City do our best to support the needs for emergency water response during the peak summer season, due to the seasonality and coastal geographical location of our area in combination with coastal storms that cause rough water conditions, water rescues and sadly, sometimes fatal drownings are a common occurrence throughout our area; and

**WHEREAS**, if the State is to establish this new rule with no changes, the proposed restriction of access to local public safety departments including but not limited to Police, Fire Department, and Beach Patrols for the purposes of emergency response will put life and safety of the general public at risk; and

WHEREAS, historically, new rules issued by the NJDEP have been promulgated pursuant to legislation; and

**WHEREAS**, again in this case like the case with the State's proposed NJ PACT rules, there is no legislation that has authorized NJDEP to require more stringent requirements and restrictions on public lands; and

**NOW, THEREFORE, BE IT RESOLVED**, by the Board of Commissioners of the City of Margate City in the State of New Jersey, duly assembled in public session this 4th day of April 2024, as follows:

- 1. The preamble of this Resolution is incorporated here by reference and made a part hereof as the findings of the Board of Commissioners.
- 2. The City of Margate City hereby authorize a copy of this Resolution be submitted to Governor Murphy, DEP Commissioner Shawn LaTourette, DCA Commissioner Jacqulyn Suarez, Senator Vince Polistina, Assemblyman Don Guardian, and Assemblywoman Claire Swift for their review and consideration in advance of release of the proposed new rule for public comment.
- 3. The City of Margate City hereby further requests that the Legislature be encouraged to exercise its legislative oversight authority to review and approve the new proposed shore protection rule and the NJ PACT regulations prior to adoption that may have significant impacts on coastal communities statewide, so as to ensure the fairness and the maximum public acceptance of those new proposed regulations.
